Thank you for your interest in our Tours!

We are a small family-run tour company based in Victoria BC and have been designing & leading tours for over 12 years. Our tours are designed by company president Norman Bruce and led by Norman Bruce, Julie Bruce or Gordon & Marilyn Brow. Our tours are exceptionally good value; we include ALL tipping as well as Breakfast & Dinner daily [except the tours to Eastern France & Scotland]

Please note that we do NOT sell our tours through travel agents. We invest 100% of our time & energy in delivering first-class service. Our company grows through long-term relationships with our satisfied travellers, one client at a time - by referral. If you like what you see... please tell your friends

You can view our **detailed itineraries** and **tour slide shows** on our website:

www.royalheights.com

We have recently added an **'email this to a friend'** tab at the top of each detailed itinerary page -so you can share the itinerary with a travel friend....We have also added links to the **hotel websites** that we will stay at on many of the online itineraries.

Single Travellers: We have many single ladies who join our tours and ask us to help them find another single lady to share with. Please let us know if you are interested in sharing. If you know of anyone who likes to travel but cannot find a roommate please have them contact us too....

Awww Shucks.... Here's what our travellers say:

"This Cuban tour was the most fun I've had in ages. I recommend it because you provide (1) experienced, friendly, organized and helpful RH guides; (2) the knowledgeable and candid local guide who entertained us with stories about the culture and history of his country; (3) interesting, intelligent, curious fellow RH travellers; (4) good pacing and balance of tour activities; (5) opportunities to share unique travel experiences, insights and mojitos with new friends". **CUBA January 2011 L. Miller. Victoria BC**

"The tour was impeccably organized. We could never have covered so much ground on our own in so short a time. It truly gave us a taste of India. I like the fact that your company is family run and that our fellow tour members were from "home". **India Jan 2011 D, Smith Vancouver BC**
